Some of my training includes (but not limited to) years of singing lessons, workshops with voice acting professionals like Steve Blum, Chuck Huber, Richard Epcar and private coaching with Richard Horvitz and more. I'm also a member of NAVA (The National Association of Voice Actors). I have open and flexible availability for recording auditions and full/flexible recording availability upon casting.

My home studio setup is as follows;

- Soundproofed and acoustically treated space
- MXL V67G Condenser Microphone
- Focusrite Scarlett 2i2 Studio Bundle and Interface
- Software includes Pro Tools and Cubase Pro
- Zoom, Discord, Skype
- Source Connect Standard

I would love to take my voice over career to the next level and I believe that I could with your representation. I believe I would make a wonderful new addition to your list of talent!

Thank you so much for your time and consideration, I hope to hear from you soon.

Sincerely,

Caraline Sweet
